Built with high-performance multicrystalline cells, an impact-resistant glass surface, and a durable anodized aluminum frame, this rugged panel is ideal for harsh environments.

Power from our solar modules is delivered through our integrated UV resistant cable and weatherproof junction box. BSP Series solar modules ...

CDT solar panel delivers top-quality performance for all photovoltaic applications including Recreational vehicle battery charging, rural electrification, water pumping, telemetry, ...

This corrosion proof, water proof, light weight solar panel is perfect for traveling. It is virtually indestructible! The Sp-60 solar panel can be used on the ground with its versatile mount that ...

This corrosion proof, water proof, light weight solar panel is perfect for ...

Power from our solar modules is delivered through our integrated UV resistant cable and weatherproof junction box. BSP Series solar modules are suited for remote telemetry, SCADA, ...

Discover BSP Series BSP1-12 solar panels for remote gas field applications, combining efficiency and reliability in energy solutions.

Get the best deals for 1W Solar Panel 12V at eBay . We have a great online selection at the lowest prices with Fast & Free shipping on many items!

Use this durable framed solar panel for small projects like powering LED lighting or educational demonstrations. * Max. Power*: 1 Watt.

12V 1W solar panel
