Where can I buy 40 ft shipping containers?

Choosing a selection results in a full page refresh. Shop 40 ft shipping containers online. XCaliber Container offers new, used, refurbished, and modified 40' shipping containers. We also offer 40 ft cabin containers, 40 ft tiny home containers, 40 ft mobile office containers, and more.

What is a 40 ft container used for?

40ft units can be used for commercial, residential, and shipping industry applications. There are a few types of 40-foot shipping containers, but the most common one is the standard dry 40' shipping container. These storage containers are easy to load and unload and can hold products that are dense or have a lot of weight.

What is a 40ft flat rack container?

The 40ft flat rack container from Pelican Containers is your godsend if you need a solution that can handle the heaviest of loads and the bulkiest of items -- the stuff that other containers shy away from. Our container flat rack 40 feet model is specifically designed for versatility and heavy-duty applications.

How much cargo can a 40ft container hold?

Compared to a 20ft shipping container, a 40ft container can pack a whopping 2.53 m of cargo for every ton of weight. Meaning, a 40' container can hold up to approximately 26.76 tons of cargo. 40ft units can be used for commercial, residential, and shipping industry applications.
