How many lumens does a 500W solar floodlight have?

Illuminate your outdoor spaces with this powerful 500W solar floodlight, boasting 30 000 Lumens and a color temperature of 6500K. Its IP67 waterproof grade ensures it shines bright, rain or shine. Comes with a remote control for customizable lighting modes and an 8-12-hour battery life.

How does the 500W led solar flood light work?

The 500W LED Solar Flood Light is designed with user convenience in mind. It features a built-in LED indicator on the floodlight that diligently monitors the battery's status. This intuitive feature not only keeps you updated on the battery's health but also provides a clear indication of the remaining illumination time and charging process.

How do you hang a solar light?

Choose to hang it or secure it with screws. Plus, a 16.5ft extension cable effortlessly connects the light to the solar panels. Crafted from high-quality aluminum with an IP67 rating, it stands strong against rain, ensuring your spaces are well-lit, come rain or shine.
