What is Bulgaria doing to protect its 5G network?

Bulgaria is taking steps to protect its 5G communications networks by joining the U.S. State Department's Clean Network initiative. Additionally, the Bulgarian Association of Mobile Operators (BABTO) proposes easing access for Mobile Virtual Network Operators (MVNOs) to enter the market. Telenor Bulgaria has also released a smart monitoring platform for utilities.

Why is Vivacom launching 5G services in Bulgaria?

Vivacom is investing in network upgrades and has stimulated other market players to invest in their own 5G service provision with its development of 5G services. In 2020, both A1 Bulgaria and Vivacom launched commercial 5G services. The broadband market in Bulgaria enjoys excellent cross-platform competition.

What is the European 5G Observatory?

The European 5G Observatory tracks progress in 5G infrastructure deployment across the EU and other regions worldwide according to base stations deployment, edge nodes and infrastructure sharing agreements. Source: IDATE estimates and regulators' data. Reporting period: at December 2024. Source: IDATE estimates and regulators' data.

What is a 5G network regulation?

The Communications Regulation Commission adopted rules for 5G networks and other wireless communication for the 2022-2024 period. This policy aims to ensure good conditions for spectrum use, a predictable environment, and maximum societal benefits. 8. What focused 5G network or spectrum sharing regulation exists?

Explore an expert guide on 5G regulation and law in Bulgaria, covering deployment, licensing, and cybersecurity. Stay informed with insights from CMS Sofia.

Only difference is Hungary declared on me over the treaty. I formed the Balkan Entente with Bulgaria as soon as the focus would allow, and they have been really helpful.

The project includes 25 km fiber optic upgrade along Sofia's inner-city roads, 110 km new fiber optic coverage from Sofia to Dimitrovgrad and fiber coverage to the existing 15 base stations ...

By the end of 2025, 80% of the country's population will have access to 5G connectivity as a result of the joint efforts of the Ministry of Transport and Communications, the ...

I also recommend releasing Bulgaria and enacting "strong duchies" and then breaking your alliance with The Knights to get under your relations limit. Alternatively, if the ...
