Who makes custom lithium-ion battery packs?

As a pioneer in future-ready power solutions, CMB is your trusted partner for custom lithium-ion battery packs. CMB's 21700 Li-ion battery packs offer advanced lithium-ion battery technology in compact and high-energy-density packaging. They provide superior power and longevity suitable for various applications.

Why should you choose CMB for a custom lithium-ion battery pack?

Whether for small or large orders, we offer competitive pricing and on-time delivery. As a pioneer in future-ready power solutions, CMB is your trusted partner for custom lithium-ion battery packs. CMB's 21700 Li-ion battery packs offer advanced lithium-ion battery technology in compact and high-energy-density packaging.

What is a custom LiFePO4 battery pack?

Our custom LiFePO4 battery packs are made in cylindrical and prismatic formats. LiPo batteries allow for greater flexibility and ensure the perfect fit for vehicles, machinery, and other various devices with unusual dimensions and weight requirements.

Can lithium ion batteries be recycled?

The demand for lithium ion batteries has been increasing lately. Our batteries can be recycled easily and with very little of a hassle. After supporting 6000+ projects, we're sure that we can do the hassle-free solution and service for you. Not only to protect your investment, but also our advanced BMS will make your battery more efficient.

Custom lithium battery pack manufacturer offering expert design, BMS integration & assembly for robotics and industrial use. Get your reliable power solution.

Our custom battery packs are applicable to UPS battery, AGV battery, medical battery, off-grid solar battery, golf carts battery, emergency light battery, solar light battery, starter battery, ...

Excell Battery's custom medical battery packs are designed to conform to a range of unique applications.
