Does a sunroom have wall-to-wall glass?

This special sunroom has wall-to-wall glass as well as a glass roof. Where you choose to build your sunroom will also help determine which type of glass makes the most sense for your unique project. While sunroom location and type are very important, the safety of the glass is also a necessary consideration.

What can a glass sunroom do for You?

Imagine a glass sunroom that allows you and your family to spend more time outdoors. Enjoy breakfast outside, send your children out to play, and entertain friends--even when the weather is cool, wet or windy.

Should you build a sunroom with floor-to-ceiling glass?

To maximize a great outdoor view from your home, a sunroom with floor-to-ceiling glass, also called a solarium, could be the right choice for you. This special sunroom has wall-to-wall glass as well as a glass roof. Where you choose to build your sunroom will also help determine which type of glass makes the most sense for your unique project.

Are glass sunrooms retractable?

Our sunrooms have been installed in hundreds of thousands of homes, condos, restaurants, hotels and conference centers around the world. Unlike most glass sunrooms, our glass sunroom walls are retractable, so you can open and close them as you please. You can bridge together the indoors and outdoors with a stunning sunroom extension in your home.
