Discover the innovative PV container system with energy storage.

Juba is the capital of the Republic of South Sudan and also the capital of Jubek State. South Sudan separated from Sudan and became an independent nation on July 9, 2011.

Juba was established in 1920-21 by the Church Missionary Society (CMS) in a small Bari village, also called Juba. The city was made the capital of Mongalla Province in the late 1920s.

With a 98.7% high-efficiency conversion rate, we help businesses achieve low-carbon, sustainable development and shorten the customer investment payback period.
