CMB is a custom battery pack manufacturer delivering high-performance lithium solutions for demanding applications and extreme environments.

Technological advancements are dramatically improving solar storage container performance while reducing costs. Next-generation thermal management systems maintain optimal ...

Our expertise extends to the design and manufacturing of specialized lithium battery storage containers, ensuring the safe handling and transportation of volatile materials.

We provide custom-paired lithium battery chargers to enhance the performance and reliability of our battery packs. This is important ...

As a certified OEM/ODM battery pack specialist since 2007, we transform your complex power challenges into reliable, market-ready battery solutions. With over 6,000 successful projects, ...

Li-ion battery packs manufactured by Gushine are engineered for a wide range of applications, from handheld terminals and smart hardware to ...

Li-ion battery packs manufactured by Gushine are engineered for a wide range of applications, from handheld terminals and smart hardware to robotics and medical devices. As a full custom ...

Our wall-mounted units are designed for easy installation and minimal maintenance, making them a practical and affordable solar storage solution for Kinshasa. Beyond the product, we provide ...

We use premium LiFePO₄ (Lithium Iron Phosphate) cells, known for their superior safety, long lifespan (over
