Discover how Mozambique"s new solar and battery storage tender is transforming its energy sector. Learn about the GET FiT ...

Containerized energy storage solutions now account for approximately 45% of all new commercial and industrial storage deployments worldwide. North America leads with 42% market share, ...

Mozambique"s Ministry of Mineral Resources and Energy has kicked off a tender for the development of decentralized solar and battery storage systems in the provinces of Nampula, ...

"The Cuamba solar and storage plant will provide greater energy security and stability in this region of Mozambique and marks a turning point for the Cuamba district.

Mozambican regulator Autoridade Reguladora de Energia (Arene) has issued a request for proposals (RfP) for independent power producers (IPPs) to develop and install solar PV and ...

In July 2024, Mozambique"s Ministry of Mineral Resources and Energy (MIREME) initiated a significant tender for the development of decentralized solar photovoltaic (PV) and battery ...

In July 2024, Mozambique"s Ministry of Mineral Resources and Energy (MIREME) initiated a significant tender for the development of ...

Mozambique"s Energy Regulatory Authority (ARENE) has launched a tender for the development of hybrid minigrids that integrate solar power and battery energy storage ...
