Where is container of America located?

Headquartered in Florida, we offer worldwide network throughout North America. Container of America LLC offers shipping containers in various sizes and different conditions such as Wind & Water Tight (WWT), Cargo Worthy (CW), and IICL.

What are the different sizes of shipping containers?

The most common two sizes of shipping containers sold in North America are 20 foot and 40 foot units. The measurement is the length of the unit. All containers transported by cargo ship need to be fixed width of 8 feet. The only exception is 53ft containers, which are made to rail standards. 53ft containers are 8ft 6in wide.
