Discover solar shipping containers with 25-year capacity guarantee, lithium-ion batteries, and CE certification. Ideal for off-grid power.

Alarm goes off: "To go off" means "to trip, to start sounding". Something has triggered the alarm, and it went off (started sounding, flashing lights, what not).

Live off the grid and reduce your carbon footprint with a 40" Shipping Container Home with Solar Panels. Customizable, eco-friendly, and low-maintenance, our container homes are perfect for ...

Our 20 and 40 foot shipping containers are outfitted with roof mounted solar power on the outside, and on the inside, a rugged inverter with power ready battery bank.

Case studies show a 40-foot container home powered entirely by solar and batteries - enough to run all appliances including heating and cooling. Temporary or tactical ...

Engineered for industrial resilience, this 40ft fold-out system offers 140kW solar power and 215kWh storage. Equipped with durable 480W PV panels, it supports manufacturing zones or ...

It's not too common though. The two most common formulations are: I get off work at 5. and I get off of work at 5. At least where I live, "get off from" is used, but not as ...

Your choices (get off work, finish work, leave work) will all work fine finishing the question about a normal working day. I don't see much difference in formality, if any.

Now you have the option to go fully off grid with a few other add-ons, directly from Bob's Containers.

Off-grid capabilities let you live anywhere, unencumbered by power connections ...

Live off the grid and reduce your carbon footprint with a 40" Shipping Container Home with Solar Panels. Customizable, eco-friendly, and low-maintenance, our container ...

"The company wants to dispose off the equipment." Is this sentence correct. I am confused whether it is dispose of or dispose off as I see a lot of sentences that use dispose off.

I am confused about the way to express the time that you are not required to work. Is there any differences in the use of the expressions "day off" and "day leave"?
