Our 20 and 40 foot shipping containers are outfitted with roof mounted solar power on the outside, and on the inside, a rugged inverter with power ready battery bank.

Mobil-Grid(R) 500+ solarfold is a 20 Feet ISO High Cube container, with CSC certification, which integrates a plug and play pre-wired deployable and redeployable solar plant

Discover our 20ft/40ft Solar Energy System Containers, offering high efficiency, customizable capacities, compact design, and advanced safety features for seamless energy solutions.

This ambitious endeavor transforms a standard 20-foot shipping container into a high-capacity, modular, and off-grid power ...

Our 20 and 40 foot shipping containers are outfitted with roof mounted solar power on the outside, and on the inside, a rugged inverter with power ...

This ambitious endeavor transforms a standard 20-foot shipping container into a high-capacity, modular, and off-grid power system capable of supporting diverse energy needs.

For instance, specialized units like the LZY-MS1 Sliding Mobile Solar Container pack fold-out solar panels, inverters and batteries ...

Available with either 1-side or 2-side racking, this variant of the Hacon Solar Container is fully customizable, location-independent, and ready to use with a plug & play design.

The 20ft Mobile Solar Container by HighJoule offers 80KW of solar power using high-efficiency 480W
