What are freesuns solar tiles?

Designed in Switzerland and individually hand-crafted to the highest industry quality standards, Freesuns solar tiles have been developed to last. As a result, they are more robust than normal roof tiles and much stronger than ordinary solar panels. Our tiles can be adapted to any roof with variations in shape, colour, and size.

Why should you choose Swiss Solar AG?

The state of the art design of solar tile packaging and solar modules makes the product emotionally attractive to the most demanding customers. Stylish packaging sets the product apart from other producers. To be part of SWISS SOLAR AG is to always be ahead.

Which Solaris tile should I Choose?

The Solaris(TM) Premium Black tile is simple and elegant. It is the perfect product for buildings where you want to have solar cells that are barely visible. The Solaris(TM) Classic is our base tile suitable for most applications and a great match for contemporary architecture. The rendering is stylish and powerful.
