It can meet your business very well, li-ion cell 1000pcs, battery pack 500pcs. Please send us your requirements or design.

Primarily designed for electric scooters, our batteries have also garnered attention within the automobile, solar, and security industries. They are particularly-suited for use in UPS systems, ...

16.OEM& ODM are supported.All specifications are customized available.

The 72V 100Ah LiFePO4 battery pack represents a significant advancement in the field of renewable energy storage. Its combination of high energy density, long lifespan, and ...

What is a 72V 200Ah Lithium Battery Pack and its benefits? A 72V 200Ah lithium battery pack is designed primarily for high-demand applications such as electric vehicles, solar ...

Himax Electronics supplies custom 72V 42Ah LiFePO4 battery packs for electric vehicles, ebikes, and golf carts. High-performance, rechargeable lithium batteries with ...

Himax Electronics supplies custom 72V 42Ah LiFePO4 battery packs for electric vehicles, ebikes, and golf carts. High-performance, rechargeable lithium batteries with PCM/BMS protection, ...

EWT 72V 40AH Lithium Iron Phosphate Battery Pack For Solar Power System. Steel-shelled lithium-ion batteries.

JMH 72V 200Ah, this battery is designed for electric vehicles, composed of lithium iron phosphate cells. The high energy density and lightweight characteristics of lithium iron ...
